Academic Experiences

Adjunct Lecturer
Department of Physics, Santa Clara University
Sep 2021 – Present — Santa Clara, CA, USA

Adjunct Lecturer
Department of Chemistry & Physics, Lincoln University
Jan 2021 – Jul 2021 — Oxford, PA, USA

Teaching Assistant
Department of Physics, University of Miami
Sep 2013 – Dec 2020 — Miami, FL, USA

Teaching Assistant
Department of Physics, Faculty of Science, Cairo University
Jun 2011 – Oct 2012 — Giza, Egypt

Teaching Assistant
Department of Physics, The American University in Cairo
Sep 2010 – May 2011 — New Cairo, Egypt

Education

Ph.D., Physics, Dissertation Title:
"Aspects of Massive Dual Gravity"
Supervised by: T. L. Curtright, Department of Physics, University of Miami
Sep 2013 – Aug 2020 — Miami, FL, USA

M.Sc., Physics, Thesis Title:
"Green Functions, Sommerfeld Images, and Wormholes"
Supervised by: T. L. Curtright, Department of Physics, University of Miami
Sep 2018 – May 2019 — Miami, FL, USA

Masters of Advanced Studies (MASt), Part III of Math. Tripos
Department of Theoretical Physics and Applied Mathematics (DAMTP), University of Cambridge
Sep 2012 – Jun 2013 (Incomplete) — Cambridge, UK

B.Sc. Physics, with Honour (Ranked 1st)
Department of Physics, Cairo University
Sep 2006 – May 2010 — Giza, Egypt

B.Sc. Pharmaceutical Sciences
Faculty of Pharmacy, Ain Shams University
Sep 2001 – Sep 2006 — Cairo, Egypt

Awards

Awards for Essays on Gravitation (Honorable Mention)
Gravity Research Foundation, 2021

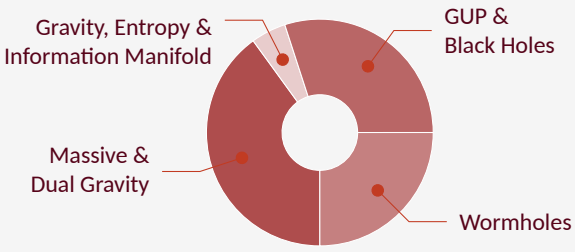
Graduate Summer Research Assistantship Award
Department of Physics,
University of Miami, 2014 – 2020

BP Cambridge Scholarships for Egypt
Cambridge Overseas Trust,
University of Cambridge, 2012

Cairo University Award for Excellence for year 2009/2010
Cairo University, 2010

Schlumberger Awards for Outstanding Achievements (twice)
Highest GPA in physics classes,
Cairo University, 2008 & 2009

Research Areas



Software Skills

- Wolfram Mathematica ●●●●●
- Maple (with GRTensor) ●●●●●
- LaTeX (with TeXmaker) ●●●●●
- LINUX (with BASH) ●●●●◐
- PYTHON (with SciPy) ●●●●○
- Machine Learning (Scikit) ●●●●○
- Deep Learning (Pytorch) ●●●◐○
- MD Simulation (Gromacs) ●●●○○

Conferences & Seminars

Graduate Seminars of Department of Physics
Title: Aspects of S-Duality and Curtright Fields

Department of Physics, University of Miami

Jan 2020 — Miami, FL, USA

Annual Coral Gables Conference
Title: Massive Dual Spin-2 Revisited

Department of Physics, University of Miami

Dec 2019 — Fort Lauderdale, FL, USA

Graduate Seminars of Department of Physics
Title: Green Functions Electrostatics and Wormhole Geometry

Department of Physics, University of Miami

Mar 2019 — Miami, FL, USA

Graduate Seminars of Department of Physics
Title: Generalized Uncertainty Principle and Quantum Gravity

Department of Physics, University of Miami

Nov 2018 — Miami, FL, USA

Graduate Seminars of Department of Physics
Title: Galileons and Black Holes

Department of Physics, Cairo University

Aug 2018 — Giza, Egypt

Graduate Seminars of Department of Physics
Title: Galileons as an Alternative Theory to General Relativity

Department of Physics, University of Miami

Apr 2016 — Miami, FL, USA

Graduate Seminars of MASt & Part III Math. Tripos
Title: Symmetries and Particle Physics

Dep. of Applied Math. and Theoretical Physics, University of Cambridge

2012 – 2013 — Cambridge, UK

Summer School in Cosmology

The International Center for Theoretical Physics

Jul 2010 — Trieste, Italy

Weekly Graduate Mathematical Physics Seminars
Title: Applications of Differential Forms in Physics

Department of Physics, Cairo University

2009 – 2010 — Giza, Egypt

Nondegree Courses

Introduction to Machine Learning

Coursera, authorized by Duke University

May 2021 — Online

Intro. to Python Programming

Udacity

Sep 2020 — Online

Summer School in Cosmology

The Abdus Salam International Center for Theoretical Physics

July 2010 — Trieste, Italy

Journals Referee

- Adv. High Energy Phys.
- Int. J. Mod. Phys. A.
- Found. Phys.
- Int. J. Geom. Methods Mod. Phys.
- Int. J. Theor. Phys.
- Eur. Phys. J. Plus.
- Mod. Phys. Lett. A.

Volunteering

Moderator of Academic Sessions for Molecular Dynamics Workshop

The Second Students' Conference Of Pharmaceutical Studies, Ain Shams University

Sep 2006 – Apr 2007 — Cairo, Egypt

Nonscholar Experiences

Pharmacy manager and pharmacist by training

Licensed by Ministry of Health and Pharmacists Syndicate, Egypt

Sep 2006 – Oct 2012 — Cairo, Egypt
